Dear Parents and Guardians,

I would like to thank you for the support which you have shown our students this term. In addition to your academic support, I am particularly grateful for your attendance at extra-curricular events as it embodies the notion of a learning community.

Wednesday December 17 is an important day in our school calendar as students will be working towards a multitude of Key Skills qualifications. These qualifications are an essential component of the Welsh Baccalaureate. In most cases, passing the Welsh Baccalaureate equates to your son or daughter gaining a further 3 GCSEs.

Could you make every effort to help your son or daughter attend school on this day and the remainder of Christmas week. Please remind your son or daughter that **full attendance in the last week of term is essential to maintain their eligibility to attend the school prom**. This event will be hosted at end of June at the Old Rectory in Crickhowell. Further details to follow in the New Year.

Best wishes and a happy new year.
