Dear Parent/Carer

Year 11 Parent Consultation Evening

Thursday 12 February 2015 3:30pm – 6:30pm

You are invited to attend this very important meeting to discuss your son/daughter's progress in all subject areas. The evening will commence at 3:30pm – 6:30pm.

On the evening you will receive an interim report for your student showing teacher predicted grades in comparison with their target grades. A full detailed subject report will be posted home towards the end of March. This arrangement has the advantage of providing two occasions of feedback, verbal feedback on February 12th but then a written update in the following month during the crucial lead up to the examination period. Following the written report, there will also be an opportunity to meet with myself and members of the School Leadership team should you have any concerns or queries at that time.

It would be greatly appreciated if you could complete the slip below to confirm that you are able to attend this important event. If you are not able to attend it would be very helpful if you could indicate the reason why and we will try to meet you at a more suitable time. Please return the slip to your son/daughter's form tutor as soon as possible.

Yours sincerely

Dr S Reasons, Year 11 Leader of Learning
