20 April 2016

Dear Parents/Carers

Since May 2013 The Welsh Assembly Government have asked schools to administer National Literacy and Numeracy Tests to all pupils in Years 2-9 during the Summer Term.

These tests have been developed for use in Wales to assist all schools in raising standards of Literacy and Numeracy. The tests will also provide the school with important information on progress being made by individual pupils and will identify those pupils who would benefit from appropriate strategies and intervention.

Numeracy revision tasks can be found at www.numeracycounts.co.uk and literacy sample materials can be found at <http://learning.wales.gov.uk>.

Tests this year will take place between Wednesday 27 April – Friday 6 May 2016. Could you please ensure your child is present on these dates as the tests cannot be taken at a later date.

You will receive a report at the end of the Summer Term.

If you wish to discuss this matter any further please do not hesitate to contact the school.

Yours faithfully

Mrs D L Thomas
Examinations Officer
