Dear <<Forename>>

The Mathematics department has organised a “walking talking” mock examination on Wednesday 8 June starting at 11.10am. This is the day before the GCSE paper 2 (calculator) examination and you will be provided with a predicted paper. Please ensure you bring your calculator to both the revision session and GCSE examination.

It is vital that you attend this final revision session to achieve your full potential in GCSE Mathematics.

Yours faithfully

E. A. James

Mr E James

Subject Leader – Mathematics
