4 July 2016

Dear Parents/Carers

Teenage Cancer Trust – Non Uniform Day Wednesday 6 July 2016

This term Year 10 Learners at Ebbw Fawr Learning Community have been taking part in a very exciting Enterprise project in partnership with Teenage Cancer Trust.

Each student and their teams have been producing a product or service in a most innovative way possible as part of their Welsh Bacallaureate Enterprise & Employability Challenge. These groups will now showcase their product or service on **Wednesday 6th July 2016**.

The activities could be anything from a bake sale to a talent show and the money raised will then be donated to Teenage Cancer Trust to fund their vital work here in Wales; supporting and improving the lives of teenager and young adults with cancer.

To do our bit to help raise money for this worthy cause the day will be a “**non-uniform day**” with a contribution of **£1.00** to the Teenage Cancer Trust. Years 7, 8, 9 & 10 will all have the opportunity to experience the entrepreneurs’ efforts by participating during the morning lessons. Please therefore send extra money if your child wishes to participate in many of the other activities (at your discretion).

This is a great opportunity for students not only to fundraise for a worthwhile cause but to enjoy the activities put on by the Year 10 learners.

I hope you are as excited about this project as we are, if you have any questions please get in touch at jhillier@ebbwfawr.co.uk

Thank you for your support.

Yours faithfully

John Hillier
Welsh Bacallaureate Coordinator
