Parent/Carer of Students using School Transport

Dear Parent/Carer

Following our previous letter dated 17 October 2016 regarding the issuing of school identity travel cards for students using school transport we are pleased to inform you that the travel cards will be issued to your child during the first week back after the half term break.

These identity cards will have your child's full name and school photograph printed on the card along with details showing which bus they must use. Please note the local authority transport will operate a 'No Card, No Transport' policy, so it is essential that you child must bring his/her card each day.

Please remind your child the importance of maintaining high standards of behaviour on the transport. Where learners are falling short of these high standards, we will follow up with individuals who have been named and will support the bus companies in withdrawing the transport provided from those who cause problems. In addition to this we intend to impose sanctions within school on those learners who are failing to respect the drivers, their peers and health and safety guidelines.

Please be assured that your child's safety is of paramount importance to us and we will work together with the bus company to identify those who behave inappropriately and impose sanctions.

Please do not hesitate to contact the school should you have any concerns about this matter.
Yours sincerely

Mrs N Davies
Secondary Phase Director
