Dear Parent/Carer

Re: Loom Bands

We are committed to listening carefully to our learners and have undertaken a range of really interesting pupil voice sessions and surveys over the last two weeks. Their feedback has been really positive and they have identified clear improvements in the school, particularly with regards wellbeing, behaviour and their learning.

Some of our younger learners, however, have mentioned that several learners are bringing **'loom bands'** to school and using them to annoy or even hurt each other. We have also found many of them littered around our lovely facilities. As a result we have decided to ban loom bands at school and any young person found to have loom bands in schools will be severely sanctioned. Similarly putty or slime is **not** appropriate to be brought to school and sanctions will be imposed on those learners who bring these items to school.

I trust you will support us in this matter as our learners safety and happiness is paramount to us here at Ebbw Fawr.

Yours faithfully

N Davies
Head of Secondary
