Our Ref HRL/RB/JSM

4 April 2017

Dear Parent/Carer

As you know the safety and wellbeing of pupils is the main priority at our school. We are also committed to keeping parents reliably informed of events concerning school.

Further to my previous letter regarding the issue, I write to confirm that Mr P Bulpin was sentenced yesterday in respect of the possession of indecent images. As you are aware he is currently suspended and the Governing Body will now meet to determine his future. We will be looking to terminate his contract at the earliest opportunity and can confirm he will not return to Ebbw Fawr. **The police have confirmed that there is no evidence linking his actions to pupils at the school or Blaenau Gwent Local Authority.**

The school and Blaenau Gwent operate strict safeguarding procedures and I can assure you that all children at Ebbw Fawr are fully protected at all times under these policies.

I would like to thank parents for their continued support in dealing with this issue, and would also thank pupils, in particular Year 11 for their maturity. We realise that these events might be distressing for some and confirm there is counselling available should any member of our school community need additional support.

I thank you again.

Yours sincerely

Mr H R Lloyd
Headteacher

Mr R Barrett
Chair of Governors
