Our Ref HL/JM

14 September 2020

Dear Parent/Carer

I write to inform you that Blaenau Gwent have now changed policy with regards to face coverings.

The use of face coverings in communal areas and circulation spaces will be encouraged within **all secondary settings** throughout Blaenau Gwent, effective as of Wednesday 16 September 2020. This means that at Ebbw Fawr Learning Community Secondary Phase pupils will be encouraged to wear face coverings on school buses, walking to classes, during break and lunch times and when walking in and out of school. Staff will also be encouraged to do the same.

I'm sure you will support us by purchasing a face covering for your child.

Regards

Huw Lloyd  
Headteacher
