Our Ref SR/JSM

22 October 2024

Dear Parents and Carers

I am writing to reaffirm our school's commitment towards creating an inclusive and anti-racist learning environment for all students and staff. Our school community values diversity and respects the rights of all individuals, regardless of their race, disability, gender, sexual orientation, ethnicity, or cultural background.

I encourage you to have open and honest conversations with your children about the importance of respecting others, regardless of their differences. This week, a small minority of pupils have repeated highly inappropriate racial slurs from the TikTok social media platform.

Our school takes a very firm approach to addressing incidents of racism, treating them with the same severity as any other form of abuse or discrimination towards protected characteristics.

By working together, we can continue to work towards being an inclusive school creating an environment where all students and staff feel valued, respected, and safe.

Thank you for your continued support.

Sincerely

Dr Scott Reasons
Acting Head of School
