Dear Parent/Carer

Re: Chromebook Care and Responsibility

We have seen an increase in Chromebook repairs this term, particularly due to cracked screens and lost chargers. While the majority of students take care of their devices, we want to remind families that we reserve the right to **charge** for damage caused by negligent care or for replacement chargers.

To help avoid this, please encourage your child to:

- Use a protective case or sleeve
- Keep the device away from food and drink
- Avoid placing heavy items on or near the Chromebook
- Store the charger safely and avoid leaving it behind

As always, pupils are welcome to visit the IT office for support with any Chromebook related issues.

Thank you for your support in helping us maintain this important learning resource.

Yours sincerely,
Scott Reasons

Head of School Secondary
