14 July 2021

Dear Parent/Carer of **New Year 7 Students**

We hope that your child/children have enjoyed their visits to Ebbw Fawr during the transition days which have taken place over the last few weeks, albeit they were not as long as we would have liked! The feedback we had from the children themselves was amazing; they are really looking forward to starting in September and I sense we are going to be very busy!

Just a reminder that Year 7 will start school at **8.45am on Monday 6 September and will finish at 2.55pm**. To support the transition further, we have decided that only Year 7 and Year 11 will attend on the first day of school. If your child/children will be travelling to school via school transport, bus passes will be issued during the first weeks of the new term. Application forms for school transport for eligible children will be available from Mr Peter Butcher on 01495 355435.

I have additionally attached for your information the dates for the next academic year together with teacher training days, a copy of our school uniform details. There is a link on the website where you can sign up to our new app Classcharts. Classcharts will allow you to view your child's attendance, behaviour, and timetable on a daily basis, I am sure you will find it very useful! Also, if you missed our live Facebook Event in June, which addressed several key questions from parents, you can view a copy of the recording on our Facebook page.

Please note it is essential that if your child/children's details change, for example medical details, address, or your mobile telephone number, we are informed so that we can update our systems. Also, be assured that if any government guidelines change regarding our reopening, we will be back in touch at the start of the new term.

I hope that you enjoy the Summer holidays and I look forward to meeting your child/children in September.

Yours faithfully

Mrs M Thomas
Head of Secondary
