Dear Parents and Carers

During the week commencing Monday 10 November, all Key Stage 3 pupils will take part in Reading Age Tests and National Numeracy Tests, each lasting approximately 30 minutes. Both tests will be completed using pupils' Chromebooks, so it is essential that devices are fully charged each day.

To support pupils, Maths teachers will be practising similar types of questions in lessons, particularly during the first week after the half-term break. A timetable for the testing week is being prepared and will be shared with pupils after the break.

These assessments help us monitor progress and identify where support or challenge may be needed. We understand that assessments can sometimes cause anxiety, and pupil wellbeing is very important to us. Please don't hesitate to get in touch if you have any concerns or feel your child may need additional support.

Thank you for your continued support.

Yours sincerely

Scott Reasons  
Head of School Secondary
