23<sup>rd</sup> March 2021

Dear Parent/Carer

Ebbw Fawr Learning Community Secondary Phase is sorry to inform you, that a pupil has tested positive for COVID-19, **your child/children have been identified as contacts of the positive case.** The positive case was reported to the school on Monday 22<sup>nd</sup> March 2021, and the pupil was last in attendance at the school on Friday 19<sup>th</sup> March 2021. The school has taken the necessary and appropriate action to safeguard the wellbeing of both pupils and staff.

The decisions regarding contacts and self-isolation requirements have been taken in line with current Government guidelines and in consultation with the Environmental Health Department, Public Health Wales and Blaenau Gwent Education team.

Your child/children are now required to self-isolate for a period of 10 days, with day one of self-isolation being **Saturday 20<sup>th</sup> March 2021.**

Self-isolation advice **requires that your child must stay at home**, and must not go outdoors to exercise, visit shops, family or friends, or any other public facilities/spaces. Please do not invite people into your house. Further information on self-isolation can be found in the link at the bottom of this letter.

**The last day of the self-isolation will be Monday 29<sup>th</sup> March 2021,** meaning that if your child is still well at the end of the 10-days, they can resume their normal activities on Tuesday 30<sup>th</sup> March 2021.

To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards

Please be **alert for symptoms of COVID-19 in your child**, which are:

- A new or continuous cough
- A high temperature
- A loss of or change to sense of smell or taste

**If your child develops any of these symptoms, even if they are mild:**

- Book a test for them by:

- phoning 119; or,
- accessing the online portal via the following link: <https://www.nhs.uk/ask-for-a-coronavirus-test>
- Inform **the school** that they are unwell with COVID-19 symptoms and that you have requested a test
- Your child should remain in self-isolation
- All other household members should isolate for 10 days from when your child developed symptoms
- Do not visit a GP surgery, pharmacy or hospital but if you require medical advice please contact NHS 111 or telephone your GP; if there is a medical emergency phone 999
- If you require medical advice for COVID-19 symptoms or another reason, please inform the healthcare worker that your child is a contact of a case of COVID-19 and in self-isolation
- Please follow the advice provided when your child receives their test result

Online and other learning resources will be made available during this period for affected pupils.

We appreciate the concern that this may cause. Please rest assured that the school are working in partnership with the local authority's Health and Safety team, Environmental Health, Public Health Wales and the NHS Test Trace and Protect service; to ensure that Ebbw Fawr Learning Community remains as safe as possible for all users including our staff and pupils during this period.

Parents will be kept update of any develops within the school regarding this situation.

With best wishes

Mrs M Thomas  
Head of Secondary
