Dear Parents/Carers,

You will all now be aware of the incident last week where our school secondary campus went into a lockdown situation during Friday, 26th April. Our trained staff responded quickly and calmly to activate well-established procedures to ensure the safety and well-being of our learners and staff, which is always our top priority. We worked closely with Gwent Police and the Local Authority throughout the day to ensure the safety of everyone on the school site and to do what we could to reassure concerned parents.

To reiterate the messages of last week, pupils and staff were kept safe at all times.

I understand that this was a very concerning time for you as parents/carers, and I would like to thank you all again for your support and understanding. We continue to offer pastoral support to anyone who requires it and would also like to remind you of the police's message to have conversations with your children to ensure their ongoing safety and to seek advice from our school support network if needed. If they are subject to any threats, please contact police on 999 in the case of an emergency, or 101 in a non-emergency.

The school will be open as normal for learners tomorrow (Monday, 29th April), and we look forward to welcoming our pupils.

Yours sincerely,

Mrs M Thomas
Head of School Secondary
