Our Ref SR/MT

13 November 2025

Dear Parents/Carers,

We are sharing the dates for our planned training (INSET) days for the 2025/26 academic year below. By providing these dates early, we hope families will have plenty of time to plan ahead, including the option of arranging short breaks, knowing that the school will be closed to pupils on these days.

Whole School Training Days (Primary & Secondary Closed):

- Friday 27th March 2026
- Friday 22nd May 2026
- Monday 20th July 2026

(Primary & Secondary pupils will not attend school.)

Primary Phase Only Training Day:

- Friday 21st November 2025

(Primary pupils will not attend school. Secondary pupils WILL attend Secondary Phase.)

Secondary Phase Only Training Day:

- Friday 13th February 2026

(Secondary pupils will not attend school. Primary pupils WILL attend Primary Phase.)

The split training days are due to a Welsh Government requirement for all secondary schools to hold an INSET day on 13th February to support preparations for the new Made-for-Wales GCSEs.

Yours sincerely

Dr Scott Reasons
Head of Secondary
