Dear Parents/Carers,

Re: New Ebbw Fawr Extension

I am delighted to announce that construction is underway on a **£6 million extension to Ebbw Fawr Learning Community**, set to open in Autumn 2025/26. This development will provide **six modern classrooms** equipped with cutting-edge technology to enhance learning.

Additionally, a **new catering facility** will streamline service times and increase capacity, eliminating the need for split break and lunch sessions, creating a more enjoyable dining experience for students.

We are excited about the positive impact this will have on our school community and will keep you updated on progress.

Thank you for your continued support.

Mrs Mel Thomas
